

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of Southern California Edison Company (U 338-E) for Expedited Approval of Servicing Agreement between State of California Department of Water Resources and Southern California Edison Company Pursuant to Chapter 4 of the Statutes of 2001 (Assembly Bill 1 of the First 2000-2002 Extraordinary Session).

Application 01-06-044
(Filed June 25, 2001)

ADMINISTRATIVE LAW JUDGE'S RULING SHORTENING TIME

On June 21, 2002, Southern California Edison Company (SCE) filed a petition to modify Decision 01-09-014. In that decision, the Commission approved, with certain modifications, a servicing agreement between the Department of Water Resources (DWR) and SCE. In the petition, SCE seeks Commission approval of an amendment (Amendment No. 1) to the "First Amended and Restated Servicing Agreement" between DWR and SCE. The purposes of the latest amendment are to provide a separate line item on the Consolidated Utility Bill for Bond Charges and to implement the 2002 20/20 conservation program as ordered by the Commission in Resolution E-3770. The 20/20 program is to commence on July 1, 2002.

In order to facilitate the expeditious implementation of the 2002 20/20 program and the issuance of bonds by DWR, SCE requests an expedited review process in order to allow the Commission to act on the petition at the June 27, 2002 Commission meeting. Among other things, SCE proposes that the time for responses to the petition be shortened, and that such responses be due on

June 24, 2002. Given the circumstances attendant to this petition, this procedural request will be granted.¹ Therefore, good cause appearing, and pursuant to Rule 47 (f) of the Rules of Practice and Procedure,

IT IS RULED that:

1. Responses to Southern California Edison Company's June 21, 2002 petition to modify Decision 01-09-014 shall be filed and served no later than the close of business on Monday, June 24, 2002. Responses shall be served electronically on Administrative Law Judges Mark Wetzell (msw@cpuc.ca.gov) and Michelle Cooke (mlc@cpuc.ca.gov) and on those persons on the service list who have provided e-mail addresses, and by first class mail or other expeditious mode of delivery to those who have not provided e-mail addresses.

2. This ruling shall be served on parties to Application 00-11-038 et al.

Dated June 24, 2002, at San Francisco, California.
